

SHADOWRUN[®] CROSSFIRE[™] VIRTUAL RUN

The highly-anticipated cooperative deck-building game, *Shadowrun: Crossfire*, is currently on a ship heading toward U.S. shores, our warehouse, and ultimately your gaming table in the near future.

In the meantime, we've got a Matrix job for the right runner. A runner like you!

We've hidden 15 PDFs across 15 hobby news sites. Assembling those 15 PDFs will get you access to the 100+ cards, Character Cards and rules for the *Shadowrun: Crossfire Demo Box*. They're all prepped and ready to print for those who're too anxious to try the game and do not want to wait any longer.

However, like any good Mr. Johnson, we're not gonna send you into the shadows without a deal sweetener.

Go to www.shadowruntabletop.com, log into the forums, and then take a look at the General Discussion section. There you'll find a "Crossfire: A Virtual Run" thread. The first person to post a correct set of all 15 urls that allow the download of the 15 PDFs will win a *Crossfire* core box set. And not some time in the future. Ninety-nine percent of the shipment may be on a ship, but there's one copy with a winner's name on it right here and we'll ship it straight to you. You'll receive the game before anyone else!

And for those that don't win...you'll still have early access to a full demo version of the game you can be running until you can pick up the game full game.

Watch your back...and win that box!
